EMPLOYMENT OPPORTUNITY FISH & WILDLIFE TECHNICIAN OLD CROW, YT Ref#19-07-27

THE OPPORTUNITY:

Reporting to the Fish and Wildlife Manager, this position is responsible for collecting data for and monitoring fish and wildlife harvests; conducting field patrols to monitor and support our traditional economy and VGFN citizens living on the land; supporting fish, wildlife, and habitat monitoring and research projects; maintaining and managing NR field equipment; and supporting the education of youth and others in traditional skills and knowledge.

QUALIFICATIONS:

The ideal candidate will have:

- knowledge of fish and wildlife regulations.
- Knowledge of fish and wildlife species, habitat, waterways and land topography specific to the traditional territory and settlement land.
- Knowledge of impact of land and water use by people on fish and wildlife populations.
- Knowledge of the operations and maintenance of small engines, boats, trailers, toboggans and other outdoor equipment.
- Ability to prioritize and rank issues in relation to the overall goals of the VGG.
- Time management and organizational skills.

SPECIAL WORKING CONDITIONS:

Working occasionally in outdoor, rugged and remote environments.
Willingness to obtain Standard First Aid or Wilderness First Aid Certificates.

The VGG offers a competitive benefits package.

Salary: \$70,606.00 - \$84,720.00 includes remoteness allowance of \$8,200
Hourly: \$41.78 - \$50.13 hourly
Status: Indeterminate

Posting date: July 28, 2021

Closing Date: August 11, 2021

Please quote reference number and submit resume that includes related job experience to:

Crystal Linklater
Human Resources Manager
Box 94, Old Crow, YT Y0B 1N0
Phone: (867) 966-3261 ext. 256
