## EMPLOYMENT OPPORTUNITY

### Health Programs Manager

**Department:** Health, Social & Recreation

**Status:** Full-time

**Location:** Old Crow

**Posting date:** January 19, 2024

**Closing date:** Open until filled

#### Our Mission

*... to promote wellness, self-sufficiency, and prosperity in our community through cultural teachings and environmental stewardship, and by building and maintaining an accountable government that motivates, inspires, and provides opportunities for the Vuntut Gwitchin.*

#### About the Role

Reporting to the Director, the position oversees the operational delivery of health programs and services for the Vuntut Gwitchin Government (VGG) by implementing plans and systems to protect the wellbeing of citizens, supporting improvement initiatives, and identifying and promoting best practices. You will bring efficiencies and contribute to the responsive abilities of our team by providing on-the-job mentorship and direction.

#### Our ideal candidate possesses the following qualifications

- Bachelor's degree in nursing, health sciences, public health, early childhood education, or related.
- Considerable experience delivering health services and programs; in an indigenous community is an asset.
- Experience in a management position with responsibilities related to leading and managing a team, program planning, evaluation, and financial management.
- Experience building partnerships with community resources and external contacts to promote the wellbeing of families and citizens.

#### Supporting you along the way

We believe that a rewarding career is not only good for our employees, but it also leads to better outcomes for our clients, workplace and the community. That's why we are committed to providing you with a competitive salary, health benefits, and a retirement plan. Beyond compensation, you will have the opportunity to make meaningful connections and work on initiatives that make a real difference in people's lives.
